Dear Mr Glaisher,

Thanks for your admirable selection of books. Nothing could be better. "Our Home in Arveyron" and "Roof of France" are just what I wanted. Many thanks. I see Edward Howell, Church Street, Liverpool advertise S.Baring-Gould's Deserts of Southern France 2 eds 32/- for 16/-. Could you get this for me.

With kind regards to you and Miss Glaisher

I am, Dear Sir

Faithfully yours
