Dear Unwin

I have sent Mayhew the proofs which came on Saturday only. He will return them in a few days. I fear he may be on holiday.

There are, I understand, no derivations in the Raiders due owing to the fact that it was the first done. I shall get M to revise it at his leisure. As he is doing it for nothing I can't hurry him. Just stick in the old one till he does so.

Yours with regard

SR Crockett

PS, I have finished the Grey Man. It is, I think, my best.
