POSTCARD

Don't understand about books being on sale at Edinburgh bookseller. Dr W must have mistaken. I presume he mistook Saturday 3rd March for Sat 10th March, mentioned in your letter. My six copies are all here yet except a copy given to Dr Whyte to whom R is dedicated, so certainly none of these on sale.

Molyneaux of Tract Soc (99 ST ... St Ed) wrote to ask a sight of book before ordering, I referred him to Dr Whyte but on Dr Whyte sending him book he returned it saying Mr Austin had left one with him.
