February 22<sup>nd</sup> 1892

Dear Mr. Blackwood,

The Winter Campaign in a large congregation leaves little time for literature. I send you the enclosed for a Maga[zine]; if it be any use.

I am keeping in mind the Article on "Old Parish Schools" and have a good deal of material, but in the crush of weekly work it is hopeless to start. The summer will bring other things.

With kind regards

Very truly yours

S.R. Crockett
