

Seaton House
St Andrews
23rd June 1897

My dear Major Pond,
My wife and I were delighted to get your kind letter and to learn how you had enjoyed yourself since leaving us. We were pleased indeed to think that St Andrews gave you some pleasure. It is, as you say, a charming old city, and we were delighted to show it to you. We had a very happy time together and I hope it will not be long before we see you at our own home

I read your lecture aloud to my wife and she enjoyed it much. I can assure you. It is thoroughly bright and fresh, charming too and delicate in fancy. She has [done admirably] but I hate to think I robbed some of it.

Faithfully yours always
