January 18th 1892

Dear Sir,

My friend, Mr William Foster of the Hill, Witley has written to me about the 2nd edition of Lord Lilford's Birds, enclosing the prospectus which he got from you for me.

I would like to subscribe for the book, which you might be good enough to send. I am what Mr. Foster calls "a very birdy man" - a name with an odour about it - but I am not a "walking-stick-pop-gun man," but a "fieldglass-keep-quiet-and-write-it-all-down-man".

Very truly yours,

(Rev^d) S. Rutherford Crockett

(Editor of Worker's Monthly and of Christian Leader)

P.S. Please send me any catalogues of Bird Books you may have.
