October 27th 1893

My dear Wylie,

I have your letter and I am glad to see that you are having a good time and I hope making good bags. I am glad you saw Unwin and submitted to him the books. I fear, however, that the financial terms for these, must be arranged through Mr Watt. He was here two days after you and reminded me of the terms of our agreement, which I had overlooked, that all my work must pass through his hands.
