

Letter from A.P. Watt to J.E. Hodder Williams  
London

26th July 1904  
27, Paternoster Row, E.C.

Dear Mr. Hodder Williams,

Referring to your recent letter in which you suggested publishing a half crown edition of "The Stickit Minister's Wooing", I have now heard from Mr. Crockett that he is not very favourably disposed towards the publication of a 2/6 edition of the book. He adds however:- "If Messrs. Hodder & Stoughton made a shilling edition in a neat form which could be put on a shelf and gave me 2d a copy as they are to do in the case of "A Banner of Blue", I think that would be better".

Kindly let me have your views on this suggestion and,

Believe me,

Yours sincerely,

(signed) A.S. Watt
