

10 Cliveden Place

Eaton Square, S.W.  
22<sup>nd</sup> February [1897]

Dear Watt,

I have still a devil of a cold. Quite demonish. Yes if Tillotson's want a story all right 4000 words £80 is the price and not a cent less. All right - Harper's goes "The Red Axe" in their series if you think well - You remember we delivered the same proposal last year for "The Grey Man".

Ever yours

SRC
