

Letter from A.P. Watt to J.E. Hodder Williams

3rd June 1907

16, Warwick Square, E.C.  
Dear Mr. Hodder Williams,

Referring to yours of the 31st I find that Mr. Crockett is under agreement with Messrs. Pearson not to publish sixpenny editions of any other of his books until the end of this year. Under these circumstances I will ask you kindly to postpone the publication of your proposed sixpenny edition of "Lad's Love" until January or February of next year.

I am,

Yours sincerely

Watt
