

Letter from A.P. Watt to T. Heath Joyce
Hastings House

10th January 1903

Strand, W.C.

Dear Mr. Joyce,

Just a line formally to put on record that I have now in accordance with the agreement with you, offered the American rights of Mr. Crockett's "May Margaret" to Messrs. Harper & Brothers. I regret to say, however, that they advise me that, in view of their engagements for serial stories, they cannot consider this particular story for any of their periodicals.

I am

Yours sincerely

A.P. Watt
