

Letter from A.P. Watt to T. Heath Joyce (The Graphic)  
Hastings House

1st December 1902

T. Heath Joyce Esq.  
"The Graphic"  
Strand, W.C.

My Dear Mr. Joyce,

Referring to yours of the 17th, I now write to say that in Mr. Crockett's absence (he is at present travelling somewhere in Spain) I have decided to take it upon myself to accept the offer which Messrs. B.S. Lloyd & Co. have made us for the Australasian serial rights of "May Margaret" and you can therefore now consider the arrangement between Mr. Crockett and the proprietors of "The Graphic" regarding the serial publication of the story in this country as definitely settled.

Believe me, my dear Mr. Joyce,

Yours sincerely,

A.P. Watt
