

29th August 1896

Grant Reid Esq.

My Dear Sir,

I am afraid the time is too long gone past for my publishers to send review copies of the “Moss Hags” or “Cleg Kelly”, but if you care to mention to Mr Unwin that I desired you to get a copy of “The Grey Man” for review when it is ready, I am sure he will send it to you. The sending of review copies is, of course, entirely out of my province.

With kind regards,

Faithfully yours

S.R. Crockett
